CORAM: HONOURABLE MR. JUSTICE JYOTI SARAN
CAV JUDGMENT
Date: 24-01-2017

The petitioners in this batch of writ petitions have questioned the decision taken in the meeting of the Cabinet held on 7.6.2016 in so far as it proceeds to approve the Agenda No.4 relatable to cancellation of the panel of the Accredited Statistical Volunteers (hereinafter referred to as the 'ASV') prepared

following the advertisement published under the authority of the Planning and Development Department of the Government of Bihar in its Directorate of Economics and Statistics dated 12.2.2012. The Cabinet decision so taken has translated in the notification of the State Government bearing Memo No.1459 dated 26.7.2016, whereby the panel of the 'ASVs' has been cancelled with immediate effect.

Since each of the writ petition is for the same cause of action and since it is the same Cabinet decision and the order of the State Government which is put to challenge in each of the writ petitions, hence with the consent of the parties, the matters have been heard analogous with the purpose of final disposal. For the sake of convenience I shall be referring to the pleadings and Annexures as occurring in CWJC No.11550 of 2016 unless clarified with specific reference to any other writ petitions.

The arguments on behalf of the petitioners is initiated by Mr. Y.V. Giri, learned senior counsel who appears for the petitioners in CWJC No.11550 of 2016. Mr. Giri has first referred to the advertisement annexed at Annexure-1 to the writ petition to submit that it is issued by the Department of Planning and Development in its Directorate of Economics and Statistics seeking online applications from the applicants intending to be empanelled

as ‘ASVs’ which panel is to be prepared Block-wise from the local eligible candidates. He with reference to the stipulations present in the advertisement submits that an exhaustive selection process was initiated for preparation of the panel consisting of a written examination followed by a training programme. He submits that while paragraph 2 of the advertisement discusses the eligibility criteria as well as the process of selection, paragraph 9 stipulates that the selected applicants would have to undergo a training course and after completion of training and on their success in the limited examination that these empanelled ‘ASVs’ would be allotted the work which stands discussed in paragraph 14 of the advertisement. In short it is the argument of Mr. Giri that a selection process akin to a regular appointment was followed in the empanelment of the petitioners and it is only on their success in the written examination and training that they were put on the merit list. Mr. Giri next makes reference to paragraph 13 of the advertisement to submit that the remuneration is in accordance with the duty discharged and is not in form of salary and the nature of work is discussed in paragraph 14 of the advertisement.

Mr. Giri next refers to Annexure-4 which is a letter of the Principal Secretary, Planning and Development Department addressed to all the District Magistrates bearing Memo No.835

dated 20.5.2013, to submit that the works so assigned to these petitioners were earlier done by the Teachers but since this was affecting the teaching work that a decision was taken at the level of the State Government for appointment of 'ASVs'. The letter mentions that the service being taken from 'ASVs' is need-based. The letter also mentions that for every six survey zones one *Pragnak* would be required and thus about 34,370 'ASVs' would be required for the purpose. The Principal Secretary has admitted that a panel has been prepared and has been uploaded on the website. With reference to paragraph 6 of the letter he submits that the remuneration also stands discussed in the letter.

Mr. Giri has referred to the statement made at paragraph 11 of the writ petition to submit that since the nature of work discharged by these petitioners was permanent in nature, a Committee was constituted by the State Government under the Chairmanship of Ex-Chief Secretary, Shri Ashok Kumar Choudhary along with the Principal Secretaries of Finance, Education, Health, Road Construction, Water Resources, Law and General Administration Department(s) in this connection, however, the petitioners have no knowledge as regarding the report submitted by such Committee. It is submitted by Mr. Giri that while on one hand a serious thought process had started for regularization of

WEB COPY

services of these petitioners, on the other hand the concerned authorities of the State Government started ignoring the existence of these petitioners and started taking work being discharged by these petitioners from *Kisan Salahkar, Vikas Mitra, Panchayat Sachiv,* Residential Assistant, *Panchayat Rojgar Sevak, Tola Sevak*, Motivator etc. and evidence of which is present at Annexure-5 series. He submits that the statement made in paragraphs 11 and 12 of the writ petition has not been contested by the respondents in the counter affidavit filed by them.

Mr. Giri has next referred to the minutes of the meeting of the Cabinet impugned at Annexure-6 to submit that the decision for cancellation of panel of 'ASVs' is exclusively on account of a policy change in the Cooperative Department. Mr. Giri with reference to the counter affidavit proceeds to submit that while the factual position stands admitted, an objection is being taken only on grounds that the petitioners have no right for regularization. He submits that even if the advertisement present at Annexure-1 does describe the nature of appointment and though no time frame is given as to the duration of the panel but so long as work is available for these empanelled petitioners, there was no occasion for the decision to cancel the panel, which is not backed with reasons. He submits that Annexure-5 series is sufficient to support

that despite work being available yet a decision has been taken at the level of the Cabinet to abolish the panel and take work from others. He submits that even if the nature of engagement is contractual, yet its termination would have to be supported with reasons and cannot be done in a whimsical and arbitrary manner.

Mr. Giri has made reference to the following judgments in support of his submissions:

(1) **(2008) 1 SCC 448 (Director SCTI for Medical Science and Technology vs. M. Pushkaran).** With reference to the opinion present at paragraphs 12 to 18 he submits that once a panel has been prepared it cannot be ignored nor can be cancelled on whimsical decision and in absence of good reasons.

(2) **(2013) 14 SCC 65 (Nihal Singh vs. State of Punjab).** With reference to paragraphs 32 to 36 of the judgment it is submitted that while it is undisputed that it is the sovereign function of every Government to create public posts but an exception is present at paragraph 33 of the judgment where the Supreme Court has held that the jurisdiction of the Constitutional Courts to examine any such decision is not barred.

(3) **2012 (1) PLJR (SC) 321 (GRIDCO Limited vs. Sri**

Sadanand Doloi). Learned counsel has referred to the facts of the case discussed in paragraph 3 of the judgment to submit that an issue as regarding the scope of judicial review of contractual appointment came in for consideration before the Supreme Court and it was held at paragraph 26 of the judgment that a Writ Court is fully entitled to a judicial review of such actions if it was founded on illegality, perversity, unreasonableness, unfairness and irrationality.

(4) **(2008) 14 SCC 58 (Ramesh Chandra Sankla vs. Vikram Cement).** Learned counsel has referred to paragraph 90 to 98 of the judgment to impress upon the Court as regarding the exercise of jurisdiction under Articles 226 and 227 of the Constitution of India in the larger interest of justice.

(5) 2014 (1) PLJR (SC) 321 (State of Jharkhand vs. Harihar Yadav). Learned counsel has referred to paragraphs 14 and 22 to 24 of the judgment to submit that in the present context an issue of social justice also becomes a relevant factor for assessment of the relative rights and which is also a factor in course of administration of justice.

(6) **(2009) 8 SCC 556 (Maharashtra State Road Transport Corporation vs. Casteribe Rajya Parivahan Karmchari Sanghatana).** On the opinion expressed in paragraphs 11, 39 and 44 to 48 he submits that the issue of unfair labour practices was examined by the Supreme Court and while taking note of the opinion earlier expressed in the case of **Indian Drugs and Pharmaceuticals Ltd Vs. Workmen since reported in (2007) 1 SCC 408,** the concept of need-based employment has been approved. He submits that the issue of employment and the objections as to the contractual nature of appointment have been taken note of and rejected and the opinion of the Labour Court to grant relief to the Workmen in the background that their services were yet required, stood confirmed.

(7) **(2007) 1 SCC 408 (Indian Drugs and Pharmaceuticals Ltd. Vs. Workmen).** He submits with reference to paragraph 4 and paragraphs 32 to 40 that while there is no dispute on the legal position that the Courts would not exercise its discretion which would result in creation of posts or in causing financial burden on the exchequer, he submits that the case of the petitioners is

WEB COPY

distinguishable because whereas in the present case these petitioners have been empanelled after undergoing a selection process, on the other hand there is yet work available for being discharged by these petitioners. He submits that the case of the petitioners is not a case of backdoor appointment.

(8) (2013) 16 SCC (Mahipal Singh Tomar vs. State of Uttar Pradesh). With reference to paragraphs 37 to 41 of the judgment he submits that in the present case the Cabinet decision has been taken without any opportunity to the petitioners to defend themselves and which decision of the State Government is in gross violation of the principles of Natural Justice.

The arguments advanced by Mr. Giri has been endorsed and supplemented by Mr. Rajendra Prasad Singh, learned Senior Advocate, Mr. Tej Bahadur Singh, learned Senior Advocate, Mr. Janardan Prasad Singh, learned Sr. Advocate, Mr. Amarnath Singh, Advocate, Mr. Raju Giri, Advocate, Mr. Rajeev Kumar Singh, Advocate, Mr. Rajesh Ranjan, Advocate and other learned counsel representing the petitioners in the respective writ petitions.

Mr. Rajendra Prasad Singh, learned senior counsel appearing for the petitioners in CWJC No.12855 of 2016 and some

WEB COPY

other writ petitions has referred to the advertisement to submit that while the applications were invited from the candidates for their engagement as Accredited Statistical Volunteers, a complete selection process followed and a panel was prepared. With reference to the impugned Cabinet decision he submits that since the panel was not prepared by the Cooperative department rather it was done by the Planning and Development department in its Directorate of Economics and Statistics, there was no role for the Cooperative department nor the decision taken by them could affect the petitioners. With reference to the notification dated 26.7.2016 of the Planning and Development department brought on record vide Annexure 'C' to the counter affidavit filed in CWJC No.11550 of 2016 he submits that even when there is no such proposal in the department for cancellation of the panel, the Planning and Development department has mechanically endorsed the decision of the Cooperative department. According to learned counsel, a panel is exhausted no sooner the appointment is made and thus there was no occasion for cancellation of panel. He submits that once a decision is taken for constitution of a committee to consider the grievance of the 'ASVs', then steps for regularisation should have been taken. In support of his submission learned counsel refers to paragraphs 19 and 20 of the writ petition

WEB COPY

in CWJC No.12855 of 2016 to submit that a committee was constituted by the State Government in May, 2015 and who was to give their report on regularisation of services of the 'ASVs'. According to learned counsel, there is no foundation for a decision to cancel the panel and once the Cabinet has taken a decision for regularisation, then the authorities are precluded from interference with the panel on the principles of *promissory estoppel*. Learned counsel in support has referred to a judgment of the Supreme Court reported in **1986 BLJR 408 (SC) (S.N. Yadav Vs. Bihar State Electricity Board)** more particularly paragraphs 3, 4 and 7.

Learned counsel has next referred to the rejoinder to the counter affidavit filed in CWJC No.12855 of 2016 to submit that the reason for cancellation of the panel is the demand raised by these 'ASVs' for regularisation of their services and even when several persons appointed on contract basis have been allowed to continue, the petitioners have been punished for raising the issue of regularisation. He submits that one contractual appointment cannot be replaced by another. Learned senior counsel refers to a newspaper report present at Annexure-9 of CWJC No.12855 of 2016, to submit that it reports the decision of the State Government for regularisation of the contract employees. Learned counsel has referred to another newspaper report present at Annexure- 8 to

WEB COPY

submit that even though a conscious decision was taken not to take work from the teachers but the respondents are going back on such decision because they intend to take the work discharged by the petitioners, from the teachers. Learned counsel in reference to a report of the Directorate of Economics and Statistics, an extract of which is enclosed at Annexure-7 to CWJC No.12855 of 2016, has stated that whereas Bihar is the first State to provide volunteer service at Panchayat level and its benefit has also been discussed therein but yet an arbitrary decision has been taken to abolish the panel.

Mr. Tej Bahadur Singh, learned senior counsel appearing for the petitioners in CWJC No.11736 of 2016 has while endorsing the argument advanced by Mr. Giri and Mr. Singh, made reference to a judgment of the Supreme Court reported in **AIR 1991 SC 537 (Kumari Shrilekha Vidyarthi Vs. State of U.P.).** With reference to pararaphs 13 and 17 of the judgment he submits that while considering a similar decision regarding cancellation of panel of Law Officers, it was held that such decision taken must accompany reasons, even if it is not communicated. It is the submission of learned counsel that a decision which is not founded on reasons has to be held arbitrary. Learned counsel has next referred to a judgment of the Supreme Court reported in **(2010) 13 SCC 427**

WEB COPY

(Oryx Fisheries Private Limited vs. Union of India) to submit that orders determining inter-party rights has to be backed by reasons. According to learned counsel, even a policy decision cannot be taken on whims and any such decision is liable to be struck down. Learned counsel in support of such proposition has made reference to a judgment of the Supreme Court reported in **AIR 1985 SC 1147 (Ram & Shyam Company Vs. State of Haryana)**. It is the argument of Mr. Singh that a reason not reflecting in the decision, cannot be supplemented by affidavits. In support of his submission learned counsel has referred to the judgment of the Supreme Court reported in **AIR 1978 SC 851: (1978)1 SCS 405 (Mohinder Singh Gill Vs. Chief Election Commissioner, New Delhi).**

Mr. Amarnath Singh, learned counsel appearing for the petitioners in CWJC No.14319 of 2016 has seconded the arguments advanced by learned counsel and made reference to the judgments of the Supreme Court reported in **(1995) 3 SCC 401 (Union of India Vs. Dinesh Kumar Saxena)** and **(1995)5 SCC 219 (Ghaziabad Development Authority Vs. Vikram Chaudhary)** to submit that the issues raised, requires a remand for a fresh consideration by the State on the issue of regularisation.

Mr. Raju Giri has appeared for the petitioners in CWJC

WEB COPY

No.11315 of 2016 and has with reference to the conditions present in the advertisement submitted that the preparation of panel was need-based and even the assignment thereunder was similar. He submits that the panel had no duration rather the panel is to continue till there is availability of work and it is the admission of the respondents themselves that the work is available, although now they intend to get the same done departmentally. He submits that even if the Cooperative department may have taken a decision and there may be no work available in the Cooperative department but there is no such report on record that no work is also available in other departments. Learned counsel has referred to a letter of the Principal Secretary, Planning and Development Department enclosed at Annexure-3 of CWJC No.11315 of 2016 to submit that the reasons for preparation of the panel is present in the said letter which was issued in connection with implementation of the 6th Economic Survey of 2013 which is a Government of India programme. He submits that a decision to prepare a panel of Accredited Statistical Volunteers was taken in the background of the decisions earlier taken by the State not to involve the Teachers in survey work. He submits that these 'ASVs' have undergone training which has involved public money, all going waste by an arbitrary decision. He has referred to Annexure-5 to the said writ

WEB COPY

petition which contains the impugned resolution of the Cabinet to submit that it is simply based on a decision taken by the Cooperative department even when the panel was prepared for carrying out the survey work relating to other departments as well. Learned counsel has referred to a Division Bench judgment of this Court reported in **1996(2) PLJR 394 (The Bihar State Adult and Non-formal Educational Employees Association Vs. The State of Bihar)** and in reference to the facts discussed in paragraph 7 and the conclusion at paragraph 33 he submits that the Division Bench taking note of a similar situation issued direction for regularisation of the Teachers engaged on casual basis under the scheme of Adult Education. Learned counsel has also referred to a judgment of the Supreme Court reported in **2015(2) PLJR (SC) 437 (Amarkant Rai Vs. State of Bihar)**, to support the claim of regularisation advanced by the petitioners.

Similar arguments are advanced by Mr. Janardan Prasad Singh, learned senior counsel appearing in CWJC No.14028 of 2016, Mr. Rajeev Kumar Singh, learned counsel appearing in CWJC No.14421 of 2016, Mr. Rajesh Ranjan, learned counsel appearing in CWJC No.11755 of 2016, Mr. Alok Kumar, learned counsel appearing in CWJC No.11549 of 2016 who have submitted that trained people were being replaced by untrained

WEB COPY

people and that the statement made by the respondents that there is no work remaining, is also incorrect. It is also the argument of learned counsel that the Cabinet decision is resting on whims and even when work is available and is being taken even in the year 2015-16 as well yet such arbitrary decision has been taken.

Learned counsel appearing for the petitioners in other writ petitions have seconded the arguments advanced by learned counsel as taken note above.

The arguments of learned counsel appearing for the petitioners has been contested by learned counsel for the State appearing in the respective writ petitions led by Mr. Lalit Kishore, Principal Additional Advocate General No.I. With the leave of the Court a comprehensive counter affidavit covering the issues raised is filed in CWJC No.11550 of 2016 and since the affidavit according to the respondents would cover other cases as well, that copies of the same were given to the learned counsel appearing in other writ petitions for filing rejoinder, if any, vide order passed on 21.9.2016.

Mr. Lalit Kishore has advanced his argument in reference to the second supplementary counter affidavit filed in CWJC No.11550 of 2016 on 20.9.2016. Mr. Kishore, learned PAAG-I initiated his argument by questioning the legal right vested in the

WEB COPY

petitioners to claim regularisation and whether there was any obligation on the part of the State to grant them as such, in the circumstances that these petitioners were merely put on a panel with no assurances.

Learned counsel has taken this Court through the affidavit to submit that the preparation of panel was need-based, for the purpose of collection of data during crop cutting exercise and in other connected matters. Learned counsel has referred to Annexure 'H' of the second supplementary counter affidavit which is a circular of the Revenue department dated 6/7.10.1955 issued in connection with writing of the A.C.Rs. of the Circle Inspectors/ Karamcharis engaged in work of agricultural statistics. He next refers to Annexure 'I' which is an advisory dated 4.4.1964 in connection with crop-cutting exercise at the district level. He has referred to the statement made in paragraph 6 of the said affidavit to submit that at that stage statistics were being collected at the district level. He submits that for the first time vide circular No.1283 dated 3.10.1989, the State Government in its Planning department took a decision to carry out the crop-cutting experiment at the Circle level instead of District level. In support, he refers to paragraph (ii) of the advisory enclosed at Annexure 'J'. According to learned counsel, these experiments were under the

WEB COPY

National Agricultural Insurance Scheme (hereinafter referred to as the 'NAIS' for the sake of brevity) which was subsequently replaced by the Modified National Agricultural Insurance Scheme (hereinafter referred to as the 'MNAIS' for the sake of brevity). He refers to a letter No.13011 dated 10.3.2011 of the Ministry of Agriculture, Government of India, a copy of which is enclosed at Annexure 'D' to the supplementary counter affidavit earlier filed to submit that the 'NAIS' continued until the agriculture year 2010-11 and was replaced by 'MNAIS' with effect from Agriculture year 2010-11. According to learned counsel, the new scheme under the 'MNAIS', a unit area for the measure of crops, was fixed at village Panchayat level. According to learned counsel, the Cooperative department of the State was made the nodal agency to implement the scheme and vide Notification No.3529 dated 3.8.2011 directions were issued in respect of mode and manner of implementation. He submits that it is to cope up with the increased work that the man force was needed to implement the scheme at the Panchayat level and when the first advertisement was issued in 2012 on 19.1.2012, a copy of which is annexed at Annexure 'A' to the counter affidavit whereby applications were invited for carrying out different statistical works in different Blocks at the fixed rates for preparation of a panel of Accredited

WEB COPY

Statistical Volunteers. According to learned PAAG-I, the advertisement was issued in view of the change in the scheme and resultant need for increase of strength under the 'MNAIS'. He submits that since the unit of survey was Panchayat, there was a resultant increase in the need of man power that to meet such exercise the empanelment was made in which 11,384 'ASVs' were empanelled until December, 2012. The panel was prepared at the Block level and though they were granted training to carry out and conduct the experiments but no extra expenditure was made except the stipend of Rs.100/- to each of the trainees. According to learned counsel, of the strength empanelled, only 1604 'ASVs' were engaged in 2012, 6171 'ASVs' in the year 2013 and 7198 'ASVs' in the year 2014 ending in June 2014 with experiment work done only for 20, 50 and 50 working days in each of these years.

Learned counsel with respect to the statement made in paragraph 13 of the second supplementary counter affidavit has submitted that the Government of India vide letter No.13011 dated 10.7.2014 addressed to the Secretary, Agriculture Department, Government of State(s) and others, has given information regarding approval for implementation of the National Agricultural Insurance Scheme on the existing pattern during the season 2014-

WEB COPY

15 which is followed by letter dated 20.3.2015 for the season 2015-16 present at Annexure 'M' series. He submits that by the revival of the 'NAIS', while the insurance unit for wheat was fixed at the Circle level but for other crops the unit was to be at the District level. He submits that since the earlier arrangement was restored that budget allocation was made for paddy only until 2014 and not thereafter. He submits that by the introduction of 'NAIS' with effect from 2014 no fund was withdrawn nor there was any provision under the 'NAIS' to continue experiment at Panchayat level. According to learned counsel since there was no work at the Panchayat level after December, 2014, that the decision impugned was taken. He submits that these petitioners were merely on the panel of 'ASVs; which is not a sanctioned post either temporary or permanent. It is stated that a second advertisement was published on 28.2.3013 for empanelment of 'ASVs' with a clear stipulation that they would not claim any Government service or any appointment on contract basis. He submits that only such of the persons who gave their consent for empanelment on these terms were allowed to take examination in which 61506 candidates were successful and of whom 42961 were allotted work for the 6th Economic Census. He submits that this advertisement was under the 6th Economic Survey during 11th and 12th five-year plans

WEB COPY

and thus was time bound. According to learned counsel the two exercise were separate and though the empanelment is overlapping but in either case the candidates were fully informed that the empanelment did not confer any right to claim regular appointment.

In response to the argument of learned counsel as regarding the constitution of the committee for examining the claim of 'ASVs', learned counsel has referred to the statement present at paragraphs 23 and 24 of the second supplementary counter affidavit to submit that the committee so constituted was to examine the claim of the contract employees and not the petitioners. He submits that the Cooperative department was appointed as the nodal agency to implement the scheme and thus they were fully empowered to take decision as regarding the continuation or scrapping of the panel. With respect to the impugned decision of the Cabinet, he submits that the reasons are present in the decision itself and since the system for carrying out the exercise itself has undergone a change that the need to continue with the panel is no more. He submits that since no post was created nor there was any appointment against any post, no vested legal right has been infringed. He further submits that since there was no work since 2014, no fault can be found in the decision

WEB COPY

taken. Learned counsel has relied upon a judgment of the Supreme Court in support of his submission since reported in **1993 Supp. (3) SCC 268 Babita Prasad vs. State of Bihar)** to submit that the decision impugned suffers no infirmity.

The arguments advanced by the learned PAAG-I has been responded to by Mr. Giri, Mr. Rajendra Prasad Singh, Mr. Tej Bahadur Singh, Mr. Janardan Prasad Singh, all learned senior counsel as well as Mr. Raju Giri, Mr. Alok Kumar, Mr. Rajesh Ranjan, learned Advocates of this Court. The sum and substance of the rejoinder is that the decision is perverse and the stand taken by the State that there is absence of work is incorrect, rather the work has been given until 2016. According to Mr. Rajendra Prasad Singh, the second supplementary counter affidavit contains false statement and Mr. Singh has referred to Annexure-15 series to the rejoinder to the second supplementary counter affidavit in CWJC No.12855 of 2016 to submit that a number of 'ASVs" have been allotted work even in January, 2016. He submits that all the petitioners have crossed their age for any other service, are trained for any survey work and the work of agriculture data is perennial. With reference to Annexure 'L series' to the second supplementary counter affidavit he submits that there is nothing to show that the scheme was to end in December, 2014. With reference to

WEB COPY

Annexure 'N/3' of the second supplementary counter affidavit he submits that it is wholly incorrect on the part of the PAAG-I to submit that there was no work after 2014 even when there has been budgetary allocation for the year 2014-15 which has the approval of the Minister and the Finance department. He submits that the counter affidavit does not contain any document which would show that a decision was taken to abolish the panel except a declaration made by the Chief Minister in an election meeting and which has been enforced through the Cabinet.

According to Mr. Raju Giri, as per the own statement of the learned PAAG-I such data collection work has continued since 1955 and which shows that there is continuous requirement of the data collectors. With respect to the second advertisement issued on 28.2.2013, a copy of which is enclosed at Annexure 'O/1' to the second supplementary counter affidavit he submits that while the 'ASVs' who had been empanelled in 2012 were exempted from appearing at the selection except for training purpose, the advertisement itself conceives of futuristic requirement. He submits that there is no overlapping in the two advertisements rather the second advertisement issued in the year 2013 is in addition to the advertisement of 2012. He submits that the 6th Economic Survey was the reason for empanelment of 'ASVs' and

WEB COPY

the expenditure incurred in their training is explained in the second supplementary counter affidavit present at page 270 of CWJC No.11550 of 2016 which cannot be allowed to go waste. Learned counsel has also referred to paragraphs 6 to 13 of the rejoinder to the second supplementary counter affidavit filed in CWJC No.11315 of 2016 to support the argument regarding availability of work. He refers to Annexure 'S' to the second supplementary counter affidavit to submit that though an exercise was undertaken for regularization by constitution of a committee under the orders of the Cabinet but it was abandoned without reasons.

Mr. Alok Kumar in reference to the pleadings made in CWJC No.11549 of 2016 has in his rejoinder submitted that while the State of Madhya Pradesh has understood the requirement of these 'ASVs' and framed a rule for their regularisation, step-motherly treatment is being given to the petitioners herein. He submits that Annexure 'M series' and Annexure 'N series' are sufficient indication that neither there is any paucity of work nor a paucity of fund. .

I have heard learned counsel for the parties and I have perused the records.

The facts are not in dispute. The dispute is regarding the rights accrued to the petitioners by virtue of their empanelment.

WEB COPY

As I have already indicated I shall be referring to the pleadings made in the writ petition and the counter affidavits filed in reference to CWJC No.11550 of 2016 unless clarified with specific reference to the other writ petitions.

While the advertisement was issued in the year 2012 enclosed at Annexure-1 to the writ petition as also Annexure-A to the counter affidavit, the advertisement issued in the year 2013 is enclosed at Annexure 'O/1' to the second supplementary counter affidavit. Each of the two advertisements invited applications from the intending candidates for their empanelment as Accredited Statistical Volunteers for carrying out the work mentioned in the advertisement which relates to data collection in connection with agriculture life span, economic status and other connected works which finds mentioned at item no.14 of Annexure-1. Though the advertisement at its paragraph 9 requires the applicants to undergo training and also caters for payment for the work taken from them but paragraph 3 of the advertisement makes it very clear that the selected candidates would neither be treated as Government servant nor would be entitled to any Government benefit. It further provides that the selected candidate can be relieved without assigning any reason. Similar is the situation of the second advertisement present at Annexure 'O/1' to the second

WEB COPY

supplementary counter affidavit which specifically provides that the 'ASVs' would not be allowed to raise any claim for regular appointment or for appointment on contract basis. It is thus very clear that the candidates were fully aware as to the nature of their empanelment and its continuity.

In the undisputed circumstances discussed above, the issue which would require a consideration in the backdrop of the arguments advanced by learned counsel for the parties would be:

(a) Whether the petitioners have a right to the continuity of panel;

(b) Whether they have a right to claim regularisation against a Government post;

(c) Whether the decision of the Cabinet to scrap the panel is arbitrary; and

(d) Whether the petitioners were entitled to a hearing.

The length of the argument advanced by learned counsel appearing on behalf of the petitioners basically is equity-based. Although learned counsel have tried to make inroads into the issues of arbitrariness in the decision of the State to scrap the panel but that requires to be tested. The main plank of the argument of learned counsel for the petitioners is that there is yet enough work available for the 'ASVs' but such argument has been countered by

WEB COPY

the learned PAAG-I in reference to certain circulars enclosed with the second supplementary counter affidavit to submit that since the year 2014, there is no work available for the 'ASVs' and even the budgetary allocation has stopped. However, this statement requires a correction in reference to the third supplementary counter affidavit filed in the proceedings in which the State has admitted that work was available until 2015. To that extent the statement of Mr. Lalit Kishore would require a modification. The enclosures to the rejoinder filed in CWJC No.12855 of 2016 and CWJC No.11315 of 2016 are sufficient indication of the fact that the work indeed is being taken from the 'ASVs' even after the year 2015 and until January, 2016.

Be that as it may, the fact remains that the empanelment of the petitioners as Accredited Statistical Volunteers was neither against a sanctioned post nor against a salary. The empanelment does not even provide any assurance for work allotment. On the contrary the empanelment is for the purpose of their engagement as and when any need would arise. The petitioners thus were not on a salary nor appointed against any post and although there is an admitted empanelment of more than 60,000 'ASVs' across the State but the work requirement as discussed in the second supplementary counter affidavit at paragraph 12 shows that

WEB COPY

whereas 1604 'ASVs' were engaged for 20 days in the year 2012, 6171 'ASVs' were engaged for 50 days in the year 2013 and 7198 'ASVs' were engaged in 2014 for 50 days. Paragraph 16 of the second supplementary counter affidavit mentions that following the second advertisement under the 6th Economic Census, of the 61506 candidates engaged, only 42961 worked for 30 days in the census work in the year 2013 and paragraph 22 shows that 468 'ASVs' were engaged for 15 days in 2014. The details so given are not contested and which by itself reflects the nature of engagement of these 'ASVs'.

In the nature of engagement of the 'ASVs' reflecting above, the issue would be whether the petitioners yet have a right, either for continuity of the panel or for regularisation. In my opinion, the issue has to be answered in the negative. The petitioners have not been appointed against any sanctioned post nor they have been paid any salary for their engagement and the engagement during this period of three years at best makes it to 50 days in a year.

The petitioners also cannot insist on maintaining the panel or its continuity for it would strike at the root of Article 14 of the Constitution of India depriving the others who may have become eligible for consideration. Paragraph 26 of the judgment

WEB COPY

relied upon by Mr. Lalit Kishore, learned PAAG-I in the case of **Babita Prasad** (supra) itself is an answer to the plea of the petitioners regarding continuity of panel. It is also an answer to the prayer of regularisation and which runs as follows:

> "26. The mere fact that the candidates who had been brought on the panel had been sent for training at the Government expense, would also not imply that any indefeasible right had been created in their favour for appointment after they had completed their training and their names were entered in the panel because the training was merely intended to confer eligibility on the candidates for being brought on the list. In the facts and circumstances of the case, we, therefore, hold that the panel prepared in the present case was only in the nature of an eligibility list of qualified trained teachers arranged according to their merit in a chronological order. It had been prepared without any process of selection whatsoever as none who was a trained qualified teacher was excluded from being brought on the list. The list was neither related to existing vacancies nor to anticipated vacancies. Such a panel did not create any vested or indefeasible right on the empanelists to be appointed."

The legal position is well settled and a mere empanelment gives no right to the incumbent to seek permanency against the post. The case of the petitioners is on even worse pedestal because they have not been appointed against any post rather they have simply been empanelled for discharging certain work as per the requirement. Regularisation is a concept attached to a post existing within a cadre and the foundation rests on a

WEB COPY

continuity of engagement. In the present case neither the engagement has been made against any post nor is it against a salary nor there is a continuity of work. All the three pre-requisites to a plea for regularisation is manifestly absent in the present case. May be, the empanelment of the petitioners as 'ASVs', provided them with some kind of status but it did not invest them with any right for seeking creation of a post of the like or for seeking permanency on any other vacancy available in the department.

The other issue of arbitrariness raised by the petitioners for questioning the policy decision of the State to scrap the panel, even though attractive on the proposition advanced but does not stand the test calling for any intervention. Mr. Giri had argued rather passionately as regarding the scope of intervention in policy matters under Articles 226 and 227 of the Constitution of India in reference to the judgment of the Supreme Court in **Ramesh Chandra Sankla** (supra) and **Harihar Yadav** (supra) for striking the decision on grounds of arbitrariness but the records of the proceedings which has culminated in the Cabinet decision, has been produced by Mr. Lalit Kishore, learned PAAG-I and which also contains the memorandum which was put up for consideration before the Cabinet and which is the foundation for the decision impugned herein. The memorandum very clearly discusses the

WEB COPY

development which has taken place over the period and in consideration whereof it was decided at the level of the Cabinet to discontinue the panel. A cursory glance at the proceedings so produced by Mr. Kishore, PAAG-I does confirm that the decision of the Cabinet is sufficiently backed by reasons. The judgment of the Supreme Court in the case of **Kumari Shrilekha Vidyarthi** (supra) at paragraph 13 has discussed the expression 'termination without assigning any cause'. Their Lordships of the Supreme Court have held that the expression 'termination without assigning any cause' does not mean a termination without existence of a cause. In reference to the judgment rendered in the **Liberty Oil Mills vs. Union of India** reported in **AIR 1984 SC 1271** it was held that the expression 'without assigning any reasons' implies that no decision has to be communicated and although the reasons for a decision taken may not be stated but the reasons must exist otherwise a decision becomes arbitrary. It has further been clarified that 'non-assigning of reasons' or 'non-communication thereof' may be based on public policy but a termination of appointment without existence of a cogent reason, would be arbitrary and against the public policy.

The facts accompanying the case of **Kumari Shrilekha Vidyarthi** (supra) is entirely distinct to the facts involved herein

WEB COPY

and the most distinguishing feature is that whereas the said case related to appointment of Government Counsel in the State of U.P., in the present case it is an empanelment of the petitioners with clear stipulation that they would be allotted work as and when the need would arise. It is certainly not a case of appointment against any post or for salary/emolument.

Learned counsel for the petitioners have relied upon a judgment of the Supreme Court in the case of **Mohinder Singh Gill** (supra) to submit that reasons cannot be supplemented by way of counter affidavit. Though the argument is founded on a sound proposition but its application, in my opinion, is misplaced. The principles advanced is sound in context with an exercise of jurisdiction by a quasi-judicial authority where an order has to be tested on the reasons so assigned in the order passed by the said authority but the same does not apply to a decision resting on a public policy as in the present case. In the present case the cancellation of panel is following a policy decision of the State Government and although the resolution of the Cabinet impugned in the writ petition does make reference to a policy decision but it is not explanatory. It is in this context that the memorandum placed before the Cabinet gains importance. Their Lordships of the Supreme Court have explained the position in paragraph 13 of the

WEB COPY

judgment rendered in **Kumari Shrilekha Vidyarthi** (supra) that in case of public policy the reasons may not be much explicit in the decision but if the decision is backed by reasons the non-description thereof in the resolution would suffer no infirmity.

As regarding the non-adherence to the rules of natural justice, in my opinion, where the purported action is resting on a policy decision of the State, it would not require a scrutiny on the issue as long as it satisfies the test of arbitrariness and is based on sound reasons, equity, fairplay and justice.

It is not a case where the State Government while retaining some of the 'ASVs', has done away with the others rather the panel itself has been scrapped and the reasons assigned is non-availability of fund and non-availability of work. In such circumstances the social justice concept advanced by Mr. Giri in reference to the judgment of the Supreme Court in the case of **Harihar Yadav** (supra) would not come to the rescue of the petitioners.

In fact the judgments relied upon by learned counsel for the petitioners do not come to their aid because these are cases in which appointments were made against a post albeit on casual, daily-wage or on contract basis and the continuation of the incumbent in such capacity over a period, raised an issue for

WEB COPY

regularisation against one such post. Unfortunately such is not the case here. The present case is not a case of appointment nor it is a case of empanelment for the purpose of appointment. It is not even a case of contractual engagement. It is simply that a panel of certain persons has been prepared and who have been made to undergo training for discharging certain works and for the purpose of their identification they have been termed as 'Accredited Statistical volunteers'. The Supreme Court in the case of **M. Pushkaran** (supra) while testing a plea of abandonment of select-list has observed in paragraph 11 that a mere inclusion of a person in the select list cannot be a ground for offering him appointment nor gives a legal right to such candidate. No doubt the judgment in the said case went in favour of the appointee but the facts are dissimilar. The unequivocal opinion of the Court has been that a mere inclusion in the select list does not bestow an indefeasible right for appointment.

Learned counsel for the petitioners have relied upon a judgment of the Supreme Court rendered in the case of **GRIDCO Limited** (supra) which relates to judicial review in matters of contractual appointment. Their Lordships in paragraph 26 while allowing permissibility of intervention in such matters where the decision is resting on perversity has also cautioned that the Court

WEB COPY

may not sit as an appellate authority over such a decision and so long it is not vitiated by the infirmities of perversity unreasonableness or irrationality and is not demonstrably outrageous in defiance of logic, the writ Court would do well to respect the decision. Their Lordships have held in paragraph 28 of the judgment that usefulness of contract employee is a relevant factor for the renewal of contract employment. While taking note of the circumstances prevalent in the said case the Court has observed that the respondents have accepted the contract employment which was for a limited tenure terminable with three months notice and thus there was no need for over sympathetic or protective approach. It is further held that the persons so engaged are free to leave at their will and can be asked to leave by the employer and that such appointment does continue only until it is mutually beneficial between the contracting parties. The Court in the said case has decided in favour of the management.

In the case of **Maharashtra State Road Transport Corporation** (supra) the employees were required to work for 8 hours a day for a paltry amount even when the work discharged was of a permanent nature. The industrial court in consideration of the fact that though there were post of sweeper and cleaner available in the Corporation yet employees were kept on casual

WEB COPY

and temporary basis for years together denying them permanency pronounced the award granting status and wages together with benefits of permanency attached to the post of cleaners to those employees which was affirmed by the High Court as well as the Supreme Court in consideration of the nature of the job discharged, the continuity of service and the post available. Such is not the case here.

This would bring this Court to the last but not the least important issues raised by the petitioners regarding abandonment of the committee constituted to examine the grievance of the petitioners under the Cabinet decision dated 19.2.2015 the reference of which finds mentioned in the letter of the Special Secretary, Cabinet Secretariat Department dated 20.2.2015 present at page 304 of File No.फ0ब0यो0– 09-2010. The resolution of the Cabinet passed on 19.2.2015 reads thus:

> "10. सांख्यिकी स्वयं सेवकों की समस्या के अध्ययन करने के लिए एक समिति गठित करने के लिए सैद्धान्तिक निर्णय लिया गया।
> 2– अतः अनुरोध है कि मंत्रिपरिषद के इस निर्णय के आलोक में समुचित अग्रेत्तर कार्रवाई करने की कृपा की जाए।"

The resolution has been acted upon and though a meeting was held on 21.1.2015 by the Chief Minister but it did not reach any conclusion. The file though was processed thereafter and

WEB COPY

contains several notings which reflect that it was being acted upon until 11.3.2015 but thereafter this file appears to have been closed and the matter has proceeded in another file Bearing No.स्था0-02/06-05/2010 and after a gap of five months the notings have initiated to consider the continuity of the panel iself. The notings have started from 3.8.2015 and proposal mooted is for reconsideration of the continuity of the panel. In this background and after taking legal opinion thereon that a fresh memorandum has been placed before the Cabinet, a copy of which is present at running page 435 and discusses the reasons which form the basis for cancellation of the panel and has been accepted by the Cabinet decision impugned in the writ petitions as also present at page 71 of the file and following which a formal order has been issued by the Planning and Development department bearing Memo No.1549 dated 26.7.2016 cancelling the panel of 'ASVs'.

The discussions above does clarify two aspects of the matter. Firstly that the decision of the Cabinet to constitute a Committee for considering the grievance of the 'ASVs' was acted upon until March, 2015 but abandoned thereafter and the reasons are not explained and secondly, in view of such position which bears from the records, the argument of Mr. Lalit Kishore placing reliance on the statement made at paragraphs 23 and 24 of the

WEB COPY

supplementary counter affidavit to submit that the committee so constituted was to consider only the cases of contract employee, is not correct. It is a different matter that the Cabinet resolution dated 19.2.2015 was not taken to its conclusion and may be a committee was also constituted to examine the cases of contract employees but it is not a case where the grievance of the petitioners did not find notice rather it was considered by the Cabinet and directions were issued for examining the same. It is another aspect of the matter this exercise was abandoned midway.

The issue is whether in view of the position explained where undisputedly the Cabinet had constituted a committee to consider the grievance of the 'ASVs', the subsequent resolution of the Cabinet in the background explained in the memorandum which forms the basis for the resolution impugned, would require an interference.

In my opinion, the two resolutions have been passed by the Cabinet at different stages. May be at the stage when the first resolution was passed on 19.2.2015, the Cabinet was of a different opinion but the developments that has taken place in between the first resolution passed on 19.2.2015 and the second resolution passed on 7.6.2016, becomes a relevant factor for a judicial review of the action taken. The explanation present in the second supplementary

WEB COPY

counter affidavit as regarding the work discharged by these petitioners coupled with the stand on the availability of work and availability of funds, would not persuade this Court to issue any direction to the State to continue with the panel. Even if there have been stray instances of work being taken from these 'ASVs', the choice lies with the State for such engagement. If the State has decided to now get the work done departmentally and there is nothing on record which would show that the State has deviated from such stand, there is no reason for the petitioners to raise any grievance nor any occasion arises to interfere with the decision. In fact in the words of the Supreme Court as found in the judgment of the **Indian Drugs and Pharmaceuticals Ltd.** (supra) and **Nihal Singh** (supra), any direction by this Court in the circumstances discussed, either for continuation of the panel or for considering the cases of these petitioners for regularisation, in absence of facts supporting continuity of discharge, would amount to a direction for creation of post as well as financial liability which is neither in the domain nor within the framework of judicial review.

The issues so taken note of are answered accordingly.

For the reasons so discussed, I am not persuaded to either interfere with the Cabinet resolution or with the order of the Planning department issued thereunder, a copy of which has been

WEB COPY

placed on record vide Annexure ‘C’ to the counter affidavit filed in CWJC No.11550 of 2016 but with a rider that in case the State would be in need of the services of the Accredited Statistical Volunteers then the claim of these petitioners may be considered for such engagement considering the experience gained and the training undergone by these petitioners over the period of time and even if the State would decide to look for fresh aspirants, due weightage be given to the case of these petitioners including age relaxation.

The writ petitions are accordingly disposed of.
