**CORAM: HONOURABLE MR. JUSTICE NANI TAGIA**  
**CAV JUDGMENT**  
**Date : 07.08.2026**

Heard Mr. Parijat Saurav, learned counsel for the petitioner, Mr. Vivek Prasad, learned GP-7 for the respondent-State and Mr. Girijish Kumar, learned counsel for the respondent-M.D.M.

2. This writ application has been filed by the petitioner challenging the Office Order No. 40/2019-20, dated 13.07.2019 (Annexure-9), issued by the District Magistrate, Buxar, whereby the petitioner's contractual service on the post of Executive Assistant, Mid-Day Meal Scheme Office, Buxar has been terminated. Also under challenge is the show cause notice dated

01.07.2019 (Annexure-6), issued to the petitioner by the District Programme Officer, Mid-Day Meal Scheme, Buxar.

3. The petitioner, vide order no. 169/2012-13, dated 30.10.2012 (Annexure-1) was appointed on the post of Executive Assistant in the District Mid-Day Meal Scheme Office, Buxar on contract basis by the District Magistrate, Buxar. While the petitioner was working as such, a show cause notice dated 01.07.2019 (Annexure-6) was issued to him along with two other persons, namely, Manoj Kumar Singh and Sudehi Rai (both contractors), by the District Programme Officer, Mid-Day Meal Scheme, Buxar, wherein, it was stated that on 30.06.2019, Buxar edition of *Dainik Bhaskar* featured a photograph of the petitioner consuming alcohol in a vehicle along with two contractors and some unidentified persons. The following day, i.e. on 01.07.2019, the same newspaper published the petitioner's name regarding the alleged alcohol consumption. In the said show cause notice, it was further stated that the District Magistrate, Buxar, had taken cognizance of the matter, noting that the Bihar Government has strictly prohibited the sale and consumption of alcohol and consuming alcohol in the State is an offence. As such, the petitioner was directed to submit a clarification within 24 hours of receiving the notice.

Subsequently, an FIR being Muffasil P.S. Case No. 181 of 2019 was also lodged under Section 37(C) of Bihar Prohibition and Excise (Amendment) Act, 2018 against the petitioner and others.

4. Pursuant to the aforesaid show cause notice issued by the District Programme Officer, Mid-Day Meal Scheme, Buxar, the petitioner submitted his reply on 06.07.2019 (Annexure-7), to the District Programme Officer, Mid-Day-Meal Scheme, Buxar. In his response, the petitioner denied the allegation of consumption of alcohol stating that the allegation levelled against him is false and the said news item has been published in the newspaper due to the prevailing rural politics.

5. The District Magistrate, Buxar, finding the reply submitted by the petitioner unsatisfactory, has terminated the contractual service of the petitioner vide the impugned order dated 13.07.2019, issued under Memo No. 01-1247/Buxar (Annexure-9) with immediate effect by holding that as the consumption of alcohol is prohibited and is considered an offence in the State of Bihar, consumption of alcohol by the petitioner signifies his indiscipline.

6. The petitioner, thereafter, submitted an application on 18.12.2019 (Annexure-10) before the District Magistrate, Buxar with a prayer to allow him to rejoin the service

contending that in the FIR being Muffasil P.S. Case No. 181 of 2019 registered against him under Section 37(C) of Bihar Prohibition and Excise (Amendment) Act, 2018, the Investigating Officer has submitted a final report stating that there is no evidence against the petitioner suggesting commission of the alleged offence.

7. The application of the petitioner was forwarded by the Deputy Collector, Establishment, Buxar (Annexure-11) to the District Programme Officer, Mid-Day Meal Scheme, Buxar, seeking a report for further action to be taken in the matter. In response to the Deputy Collector's letter dated 14.03.2020, the District Programme Officer, vide letter dated 10.06.2020 (Annexure-12), confirmed the final report submitted by the police in Muffasil P.S. Case No. 181 of 2019 and also apprised that no other person has been appointed to the post previously held by the petitioner.

8. Since the petitioner did not receive any favorable response regarding his reinstatement despite the submission of the aforementioned application and the ensuing inter-departmental communications, he filed the instant writ petition challenging the impugned termination order dated 13.07.2019, issued by the District Magistrate, Buxar.

9. Learned counsel for the petitioner has submitted that the impugned termination order was issued by the District Magistrate, Buxar, solely on the basis of a photograph published in the Dainik Bhaskar newspaper dated 30.06.2019, allegedly showing the petitioner consuming alcohol. It is further submitted that the respondent authorities summarily terminated the petitioner's contractual services without conducting any departmental enquiry, despite the petitioner's categorical denial of the allegations in his show-cause reply. Accordingly, the learned counsel for the petitioner pointed out that the respondent authorities acted in a most unfair manner, violating the principles of natural justice and denying the petitioner an opportunity of a hearing to defend himself. Therefore, the impugned order of termination issued by the District Magistrate, Buxar, cannot withstand the legal scrutiny of this Court and is liable to be set aside and quashed.

10. Learned counsel for the petitioner has placed reliance on the following judgments of the Hon'ble Supreme Court as well as of this Court, which is as follows:-

- (i) **Sur Enamel And Stamping Works Ltd. Versus Workmen** reported in **1963 SCC Online SC 97**.
- (ii) **O.K. Bhardwaj Versus Union of India & Ors.** reported in **(2001) 9 Supreme Court Cases 180**.

**(iii) Hari Ram Maurya Versus Union of India & Ors. reported in (2006) 9 Supreme Court Cases 167.**

**(iv) Amit Kumar versus The State of Bihar & Ors. (CWJC No.5537 of 2020).**

11. Contesting the petitioner's case as set forth in the writ petition, the respondent-State has filed a counter-affidavit. The stand taken by the respondent-State in paragraph nos. 11 and 12 of the said counter-affidavit is extracted hereinbelow for ready reference:

“11. That in reply to the statements made in Paragraph Nos. 12 and 13 of the Writ Application it is submitted that there is no infirmity in issuance of show cause by the District Programme Officer. It is District Programme Officer who had recommended the petitioner for appointment and on his recommendation the District Magistrate considered the case of the petitioner for appointment which was subject to the satisfactory service of the petitioner. In terms of contractual appointment the contract of the petitioner was held to be fit for termination on his unsatisfactory service.

12. That in reply to the statements made in Paragraph Nos. 14, 15, 16 and 17 of the Writ Application it is submitted that the District Magistrate who is the appointing authority of the petitioner considered the reply to the show

cause submitted by the petitioner and did not find the explanation to be satisfactory. The act of the petitioner was held to be against the prohibition law of the State Government and holding the petitioner to be guilty his contractual appointment was terminated with immediate effect. The action of the District Programme Officer and the District Magistrate, Buxar is not illegal or arbitrary and the termination order has been issued in all fairness. The decision of termination was taken by District Level Committee for appointment and extension of time of contractual employee in its meeting held on 06.07.2019.”

12. Referring to the paragraphs of the counter affidavit as extracted hereinabove, learned counsel for the respondent-State has submitted that the petitioner’s appointment as an Executive Assistant under the Mid-Day Meal Scheme was purely contractual. It is contended that after due consideration of the petitioner’s reply, his services were found to be unsatisfactory, justifying the termination. Learned counsel for the respondent-State further submitted that since the petitioner was negligent in his duties and displayed irresponsible conduct by consuming alcohol in a public place, which is a statutory offence under the Bihar Prohibition and Excise (Amendment) Act, 2018, the respondent authorities have rightly terminated his services for his unsatisfactory behaviour and, therefore, no interference is warranted by this Court in exercise of its extraordinary jurisdiction

under Article 226 of the Constitution of India.

13. Upon hearing learned Advocates for the contesting parties, it appears that the petitioner was appointed as an Executive Assistant in the District Mid Day Meal Scheme Office on 30.10.2012 by the District Magistrate, Buxar on contract basis. The appointment order which is annexed as Annexure-1 in the writ petition is extracted hereunder:-

The impugned order dated 13.07.2019 shows that the same has been issued upon consideration of letter No. 321 dated 01.07.2019, letter No. 326 dated 03.07.2019 and letter No. 338 dated 08.07.2019. No enquiry is shown to have been conducted before the impugned order is issued. The aforementioned letter No. 321 dated 01.07.2019 is a letter of the District Programme Officer, Mid-Day Meal Scheme, Buxar asking the petitioner along with two others to clarify within 20 hours of the receipt of the letter regarding the photograph that appeared in the Dainik Bhaskar newspaper on 30.06.2019 featuring a photograph of the petitioner as consuming alcohol. Letter No. 326 dated 03.07.2019 is not on record. Letter No. 338 dated 08.07.2019 is a letter of the District Programme Officer, Buxar forwarding the reply submitted by the petitioner to the show cause notice issued to him, to the District Magistrate, Buxar for taking necessary action in the matter. The impugned order of termination has been passed thereafter on the basis of aforementioned two letters. It, thus, is evident from the impugned order of termination itself that no enquiry was conducted against the petitioner and the petitioner's service has been terminated only on the basis of aforementioned two letters dated 01.07.2019 and 08.07.2019,

respectively.

27. Since the petitioner was a contractual employee, no specific service rules regulating the disciplinary proceeding against him appears to be in vogue. What, therefore, arises for determination by this Court is whether, in the absence of any specific service rules prescribing the enquiry to be conducted against the petitioner (a contractual employee), a formal enquiry should have been held before the impugned termination order was issued?

28. In that regard two of the decisions rendered by the Hon'ble Supreme Court and cited by learned counsel for the petitioner would throw light on that.

29. In the case of **Hari Ram Maurya Versus Union of India and Others** reported in (2006) 9 SCC 167, in paragraph 3 it has been held as under :

“3. From the order of termination Annexure P-7, it appears that the same refers to the show-cause notice dated 20-8-2002 which is to be found at Annexure P-5. It is stated therein that the appellant demanded kickback with a view to help the complainant to get a favourable order in the pension matter. That being so, there was a clear charge of bribery levelled against the appellant. No doubt, the appellant was a temporary employee, but if he is sought

to be removed on the ground that he was guilty of the charge of bribery, it becomes necessary for the respondent Union of India to hold an inquiry and thereafter to act in accordance with law. In this case, admittedly, no inquiry was conducted, and that is obvious even from Annexure P-7, the letter described as disengagement of casual labour. We, therefore, allow this appeal and set aside the order of the High Court as also the order of termination Annexure P-7 dated 30-09-2002. This, however, will not prevent the respondents from taking action in accordance with law.”

30. In the case of **Hari Ram Maurya** (supra), where the appellant, who was a temporary employee, was terminated on a charge of bribery without holding an inquiry, it has been held that if the employee is sought to be removed on the ground that he was guilty of the charge of bribery, it becomes necessary to hold an inquiry and thereafter to act in accordance with law, even if the employee was a “temporary employee”.

31. In the case of **O.K. Bhardwaj Versus Union of India and Others** reported in (2001) 9 SCC 180, it has been held in paragraph Nos. 2 and 3 as under :

“2. The High Court has recorded its opinion on

two questions: (i) that the punishment imposing stoppage of three increments with cumulative effect is not a major penalty but a minor penalty; (ii) in the case of minor penalties, “it is not necessary to give opportunity to the employee to give explanation and it is also not necessary to hear him before awarding the penalty”: a detailed departmental enquiry is also not contemplating in a case in which minor penalty is to be awarded.

3. While we agree with the first proposition of the High Court having regard to the rule position which expressly says that “withholding increments of pay with or without cumulative effect” is a minor penalty, we find it not possible to agree with the second proposition. Even in the case of a minor penalty an opportunity has to be given to the delinquent employee to have his say or to file his explanation with respect to the charges against him. Moreover, if the charges are factual and if they are denied by the delinquent employee, an enquiry should also be called for. This is the minimum requirement of the principle of natural justice and the said requirement cannot be dispensed with.”

32. In the aforementioned case of O.K. Bhardwaj (supra), it has been held that even in the case of a minor penalty, an opportunity has to be given to the delinquent employee to have

his say or to file his explanation with respect to the charges against him and if the charges are factual and if they are denied by the delinquent employee, an enquiry should also be called for, which is the minimum requirement of the principle of natural justice and the said requirement cannot be dispensed with.

33. From the aforementioned two decisions of the Hon'ble Supreme Court, it appears to be the law that when an employee, even if such an employee is temporary one, is sought to be terminated on a charge of bribery - which is punitive - it becomes necessary to hold an enquiry and thereafter to act in accordance with law. Even in the case of minor penalty an opportunity has to be given to the delinquent employee to have his say in the matter and if the charges are factual and are denied by the delinquent employee, an enquiry should also be held. That is for the reason that adherence to the principle of natural justice cannot be dispensed with in such circumstances.

34. In view of the legal position and the finding recorded hereinabove, the impugned order dated 13.07.2019, terminating the petitioner's contractual service from the post of Executive Assistant, Mid-Day Meal Scheme Office, Buxar, without holding an enquiry with regard to the allegations made

against the petitioner, cannot be sustained in law.

35. Accordingly, the impugned Office Order No. 40/2019-20, dated 13.07.2019 (Annexure-9), issued by the District Magistrate, Buxar, terminating the petitioner's contractual service from the post of Executive Assistant, Mid-Day Meal Scheme Officer, Buxar and the show cause notice dated 01.07.2019 (Annexure –6) issued to the petitioner by the District Programme Office, Mid-Day Meal Scheme, Buxar are hereby set aside and quashed.

36. The respondents are directed to re-instate the petitioner in service forthwith with all the consequential benefits.

37. The respondents, however, shall be at liberty to proceed against the petitioner by strictly following the due process of law, if so advised.

38. The writ petition is allowed in above terms and the same stands disposed of.
